

The Miniature Book Society Grand Conclave XXXI

THE ANNUAL GATHERING—or conclave—of the Miniature Book Society took place in Vancouver on August 9–11, 2013. The three-day event is held in a different city each autumn and includes guest speakers, tours, workshops, book auctions, a book swap and an all-day book fair. Miniature books have long been a showpiece of technology, craftsmanship and creativity, and celebrate every imaginable passion.

Books officially entered in the 2013 MBS Competition & Exhibition were presented in a large bound cabinet—a book of books, if you will, proving that there’s always room for a few more miniatures in even the most packed collection! Boston, Massachusetts is slated to host the 2014 MBS Conclave. For more information, see www.mbs.org. (Photos by Jason Vanderhill)
