

DEAR: Drop Everything and Read

By Dorothy Cousins.

On October 27, at Sea View Elementary Junior Secondary in Port Alice, 69 students, five staff and one retired teacher-librarian dropped everything and read.

Everyone enjoyed the chance to appreciate the materials received from school libraries. Principal Shannon Shields and Grade 3/4 students dropped everything to lay around and read.

Dorothy Cousins is a retired teacher-librarian, formerly at Sea View Elementary Junior Secondary in Port Alice, B.C.
