## Surrey Public Library website launch

Surrey is pleased to announce the launch of a new library website on October 4<sup>th</sup> [www.surreylibraries.ca](http://www.surreylibraries.ca) coinciding with the recent rebranding of Surrey Public Library to Surrey Libraries. The new site offers many more opportunities to showcase library programs and services in a visually dynamic way. The site uses Google Translate to offer translation into 51 languages. Behind the scenes there is better accessibility for use on mobile devices, and for use by visually impaired persons. The project was done in conjunction with a new City site [www.surrey.ca](http://www.surrey.ca), a site for kids [www.surrey.ca/kids](http://www.surrey.ca/kids) and one for youth [www.surrey.ca/youth](http://www.surrey.ca/youth).

*Sandra Wong is the Electronic Resources Librarian at Simon Fraser University Library.*
