

Literacy Interest Group Annual Report: 2010-2011

By Thomas Quigley and Edel Toner-Rogala.

The purpose of the Literacy Interest Group is to serve as a focal point for BCLA members interested in the topic of adult literacy.

We continue to regularly share literacy information within the members of our Interest Group and with the BCLA membership at large; we also serve as a resource on literacy matters to the BCLA Executive. Many of our members are actively involved in the broad literacy community's work. We note with particular interest the recent changes at the provincial level, with BC's two main literacy

organizations merging into a new organization to be called Decoda Literacy Solutions (see <http://www.decoda.ca/>).

BC libraries are to be commended for their unwavering commitment to literacy. The co-conveners appreciate the support of the BCLA Office and the BCLA Executive in carrying out the LIG's activities.

Thomas Quigley and Edel Toner-Rogala are the co-conveners of the Literacy Interest Group.
