

Literacy Interest Group Annual Report: 2011-2012

By Thomas Quigley and Edel Toner-Rogala.

The purpose of the Literacy Interest Group is to serve as a focal point for BCLA members interested in the topic of adult literacy.

We continue to regularly share literacy information within our IG and with the BCLA membership at large on the email discussion list; we also serve as a resource on literacy matters to the organization. Many of our members are actively involved in the broad literacy community's work. Of particular interest to us in this year was the Literacy and Learning Focus Group conducted by Decoda in

Spring 2012; we understand that libraries were well represented in that Focus Group.

BC libraries are to be commended for their unwavering commitment to literacy. The Co-convenors thank the BCLA Office and the BCLA Executive in carrying out the LIG's activities.
