

LGBTQ Interest Group Annual Report: 2011-2012

By Deb Thomas.

This new interest group was formed in the spring of 2011 with about 15 initial members and now has over 40 members.

So far, it is a low-key interest group chiefly focused on sharing information. A conference session in collaboration with YAACS and the Intellectual Freedom Committee - Not Seeing Yourself: Exclusion

of LGBTQ Protagonists in Young Adult Publishing - and a social event with IFC members were planned for the 2012 BC Library Conference. We are open to future collaborations with any committees and interest groups to advocate or educate on issues of mutual interest.

Deb Thomas is Convenor, LGBTQ Interest Group.
