

Choosing a Future: The Resettlement Intention among Ukrainian and Syrian Refugees in Europe

+ **Research Question:** What factors influence refugee resettlement intentions, and to what extent does their impact vary across resettlement programs?

Constance Ruan

Intention to Stay in Host Countries

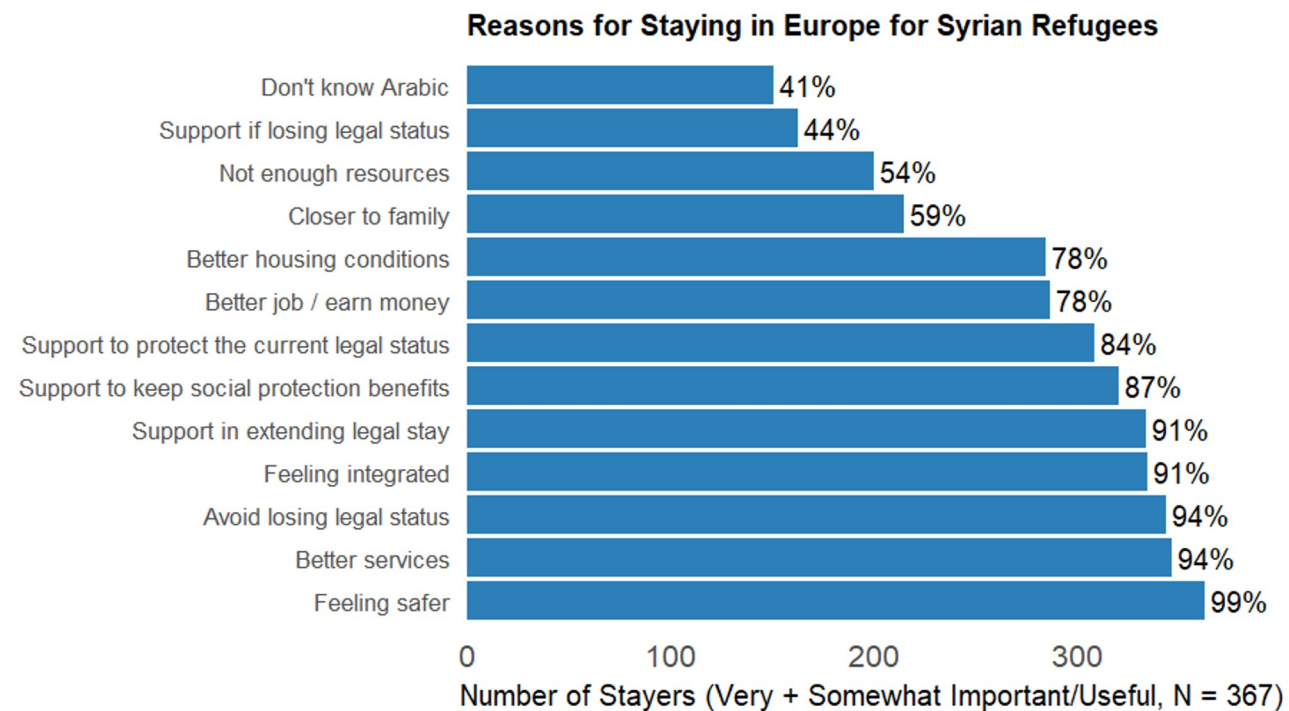

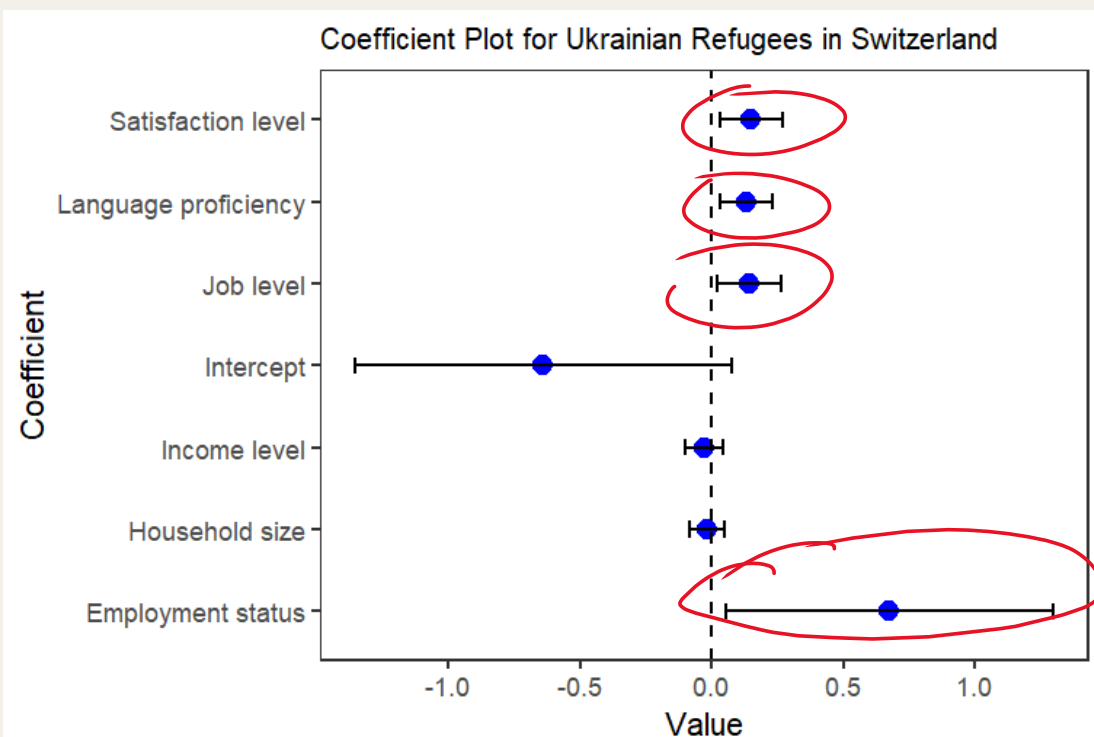

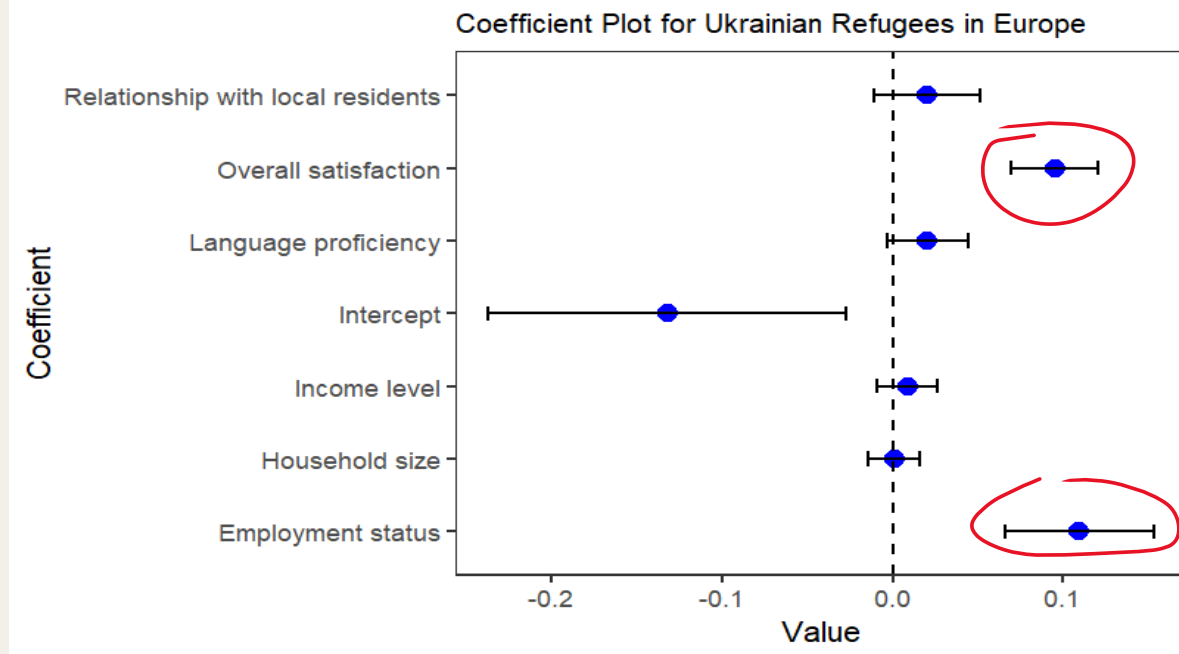

The intention to stay in host countries depends on:

- + Employment status
- + Relationship with local residents
- + Life satisfaction
- + Income level
- + Job level
- + Existing networks

Resettlement Programs

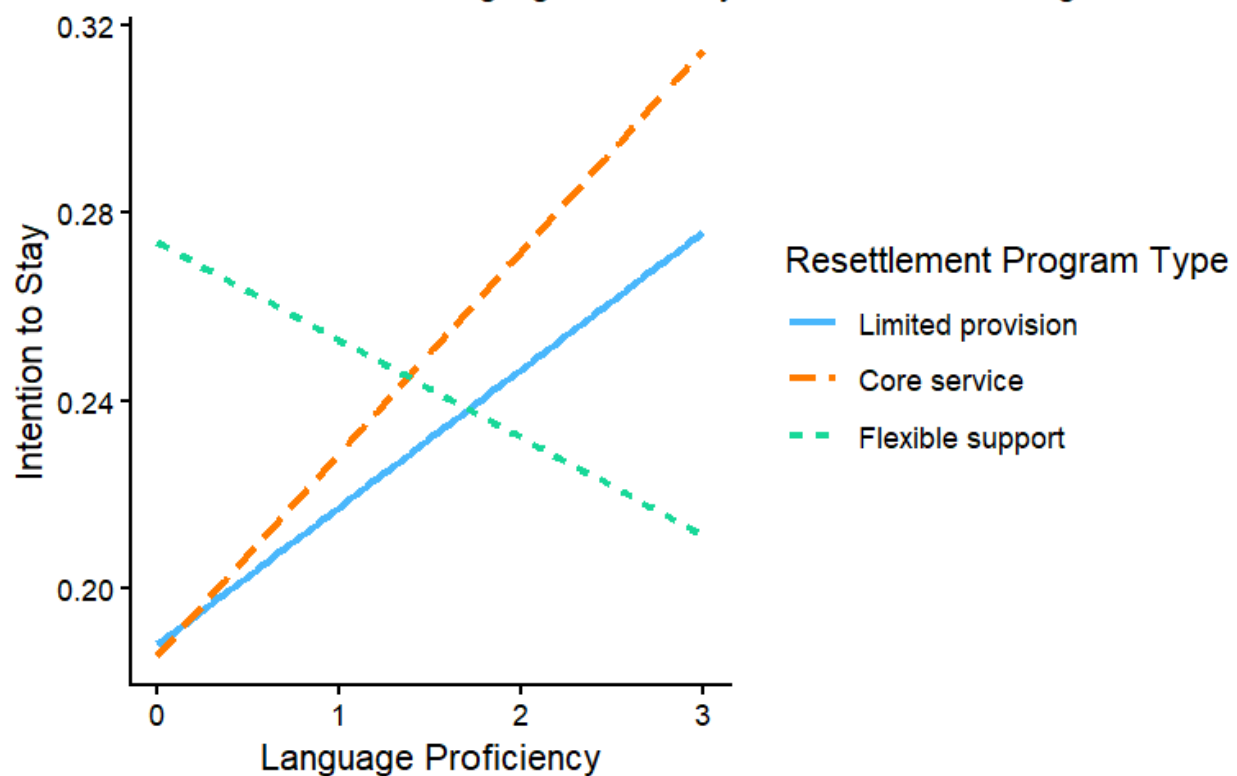

Countries	Type of Resettlement Program	Description
• Germany • Switzerland • Sweden • Poland	Core service	• Intensive socio-economic integration supports
• France • the UK • Spain	Limited provision	• Geared towards self-sufficiency. • Limited financial and cultural orientation support.
• the Netherlands • Moldova	Flexible support	• Diverse resettlement services offered
