

DECOMPOSING THE DEAD GIRL: Replacing Death Narratives in Gender Transition

Biological Essentialism

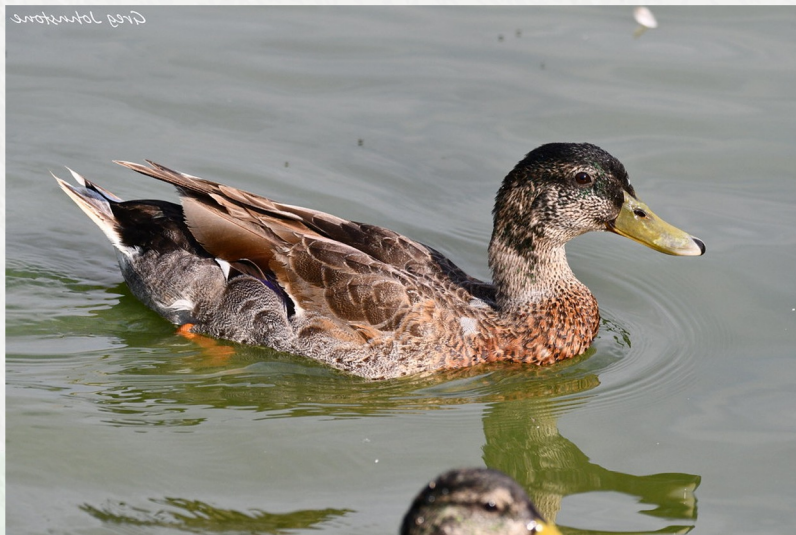

The belief that male and female are discrete natural categories that make up a fundamental component of personhood.

Oliver Beaz Bendorf

“This house is haunted you know
Someone died in here.”

The Advantages of Being Evergreen

Mallard- Summer Plumage

Mallard- Winter Plumage

Transecology

Gender Transition “as a self directed, even spontaneous phenomenon akin to the life-cycle changes of plants and animals”

- Nicole Seymour
