- Robert Forbes's ten-volume manuscript, 1747-1775: the focus of our project
- Firsthand accounts, letters, conversations, poems, and other items all providing insight into post-1746 Jacobite networks
- Goals included:
 - Understanding and analyzing the stories of Jacobites
 - Reconstructing networks
 - Focusing on marginalized people

Copy of a Letter from the
Revd Mr Robert Lyon to
 his **Mother & Sisters.**

My dear **Mother**, & my Loving **Sisters**,

How ever great a Shock
 to Nature I presently feel in writing You
 upon this Occasion, & the great Trouble &
 Affliction it must give You all in reading
 my Last; yet I could not allow my self
 having Warning of my approaching Fate;
 to leave this miserably wicked World,
 without bidding You Farewel, and offering
 You my Advice.

It has pleased Almighty God, in his un-
 searchable Providence, for some Time past
 to afflict me with grievous & sore Troubles,
 every Thing that could be look'd on as com-
 fortable in this World being denied me,
 that was in the Power of my Enemies to
 grant or refuse; but, blessed be my merci-
 ful God. they could not stop the inward
